Chaminade University of Honolulu's School of Nursing is hosting an on-site evaluation team from the Commission on Collegiate Nursing Education (CCNE) on October 23-25, 2017 as part of the re-accreditation process for the baccalaureate nursing program.

As part of that accreditation visit, we invite our major constituents – students, faculty, clinical partners, potential employers, the practice community, and others - the opportunity to provide input to the review team. Written and signed third-party comments will be accepted by CCNE until October 2, 2017. All communications should be directed to:

Commission on Collegiate Nursing Education
Attn: Third-Party Comments

Please note that CCNE shares third-party comments only with the members of the evaluation team. The evaluation team only considers third-party comments that relate to the program's compliance with the accreditation and at no time during the review process are these comments shared with the program.
